

## FINANCIAL AID COVENANT

Financial aid at Our Savior New American School is provided to give a diverse group of parents, who agree with our visions and values, the profound opportunity of a Christian education. Where needed and justified, Our Savior New American School provides just enough financial aid to make it possible for the largest possible group of students to attend our school. Each family does their part to make this happen. Christian education is inherently a sacrifice for all involved.

As part of receiving financial aid, we ask each family to carefully read the covenant below, pray for God's guidance, and only after His confirmation that this covenant is in His will for your family, initial and sign below.
